## PROGRAMMA TAVOLI VAL/PROGRAM VAL

**Il programma VAL permette la realizzazione di molteplici soluzioni di tavoli dalle misure più svariate e personalizzate.**

**Il sistema di tavoli VAL prevede la sua componibilità grazie a dei telai di varie lunghezze, i quali sono uniti a un kit di gambe, disponibili in tre altezze differenti nelle finiture alluminio anodizzato naturale e brillantato.**

Program VAL allows the realization of multiple solutions of tables with the varied personalized measures. The system of tables VAL includes its sectionality thanks to the chassis of several lengths, which come joined to a kit of legs that can be of three different heights in finishes anodized natural and brilliant aluminium.
